DISCOVER ADVANCED TECHNOLOGY

ACHIEVE A SEAMLESS AND STRIKING GREEN BLUE EFFECT COLOUR

Octoral's forward-thinking approach means we are always at the forefront of colour innovation, developing solutions in line with new OEM colours. The introduction of the new W548 Bright Green Blue toner to the Octobase Eco Plus System is our latest innovation.

The new blue toner ensures you can achieve even purer colour accuracy for outstanding results, first time.

PURE COLOUR

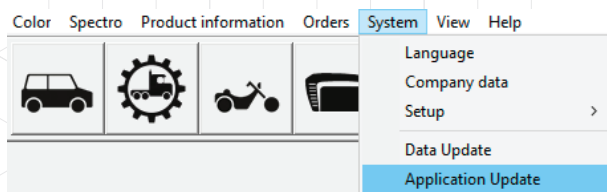

Octoral is renowned for vibrant colours that are so true to the naked eye, we invest in colour technology to ensure you can confidently colour match with precision and exceptional accuracy. The Bright Green Blue toner was designed to enhance your colour matching abilities for high quality OEM-standard results.

ENHANCED RANGE OF COLOUR

The Bright Green Blue toner expands our blue colour portfolio, improving the Octobase Eco Plus System. The toner can be used in formulation to match an even wider range of colours that require this shade of blue, further strengthening your ability to accurately colour match both complex and simple colours.

HOW TO ACCESS THE BRIGHT GREEN BLUE

Please ensure that your COINS software is up to date. The new colour formulations with the new Bright Green Blue toner are available on the latest update. To update your COINS software, follow the instruction below.
