

# OCTORAL

## DISCOVER THE POWER OF COLOUR

Octoral will introduce two new Special Effect toners to the Octobase System. Updates of the colour formulas in COINS will start from 5th April 2023.

### BW78 SILVER CRYSTAL

|                     |           |
|---------------------|-----------|
| <b>Product code</b> | BW78      |
| <b>Article nr.</b>  | 514107009 |
| <b>Contents</b>     | 110 mL    |
| <b>Per box</b>      | 1         |

A silver-coated glass flake for use in dark effect and metallic colours.

The silver-coated particles enhance the sparkle effect, making it perfect to match OEM colours from Ford, Nissan and Volkswagen. BW78 Silver Crystal is featured in 19 colour formulas and comes in a 110 mL package.

### BW79 WHITE CRYSTAL

|                     |           |
|---------------------|-----------|
| <b>Product code</b> | BW79      |
| <b>Article nr.</b>  | 514106009 |
| <b>Contents</b>     | 110 mL    |
| <b>Per box</b>      | 1         |

This transparent glass flake is mainly used in light effect colours.

The glass flakes create a similar sparkle effect seen in colours from Jaguar, Land Rover, Honda and Mitsubishi. BW79 White Crystal is featured in 67 colour formulas and comes in a 110 mL package.
